

***Symptomatic COVID-19 testing**

is available to all TRICARE beneficiaries and DoD Civilians

Testing is **NOT** being offered for asymptomatic close contacts. These patients should monitor for symptoms.

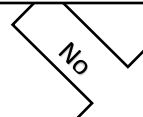

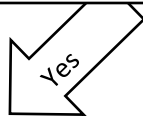

COVID SYMPTOMS: within the last 48 hours:

- Fever/Chills
- **New or unexplained:** Cough, shortness of breath, difficulty breathing
- **New** loss of taste or smell.

Additional reasons for scheduling an appointment for test include:

- Readiness requirements
- Confirmation of an at home positive COVID test
- Pre-op COVID testing if unable to obtain at Med Center where procedure is being performed.

1. Explain to patient that results can take up to 36 hours to obtain. This is at the Healthcare Providers discretion. Do **NOT** promise same day results.
2. Does the patient want to proceed with scheduling an appointment in order to be tested for COVID-19?

Has patient tested **POSITIVE** for COVID in last 90 days?

Yes

Schedule appointment for any time period.

No

Schedule a COVID appointment and test for one of the slots:
Monday, Wednesday or Friday for 9 a.m., 9:30 a.m., 10 a.m.

- You will be seen **inside** the clinic, please arrive 15 min prior to your scheduled appointment and check-in at the front desk.
- A CDC approved face covering is required to be worn while in the MTF.
- Beginning now, and through the time that you know your results, we ask that you protect others by staying at home, separate yourself from others while at home, wear a face cover if you do need to be around others, cover your cough and sneezes, wash your hands frequently, and do not share personal items.”
