February, 2021

Greetings Incoming Kindergarten Families,

I am so excited to meet the newest members of our Hanscom Primary School family! The kindergarteners who begin their elementary school journey in 2021-2022 will graduate from high school in 2033-2034! That alone is unbelievable; think of all they will accomplish during that time! It all starts in kindergarten; a year filled with so many exciting first experiences. We look forward to sharing this special year with you and your child.

We are officially kicking off our registration process this month. Children who are Hanscom Air Force Base residents, and who will be five years of age by October 1, 2021, are eligible to enroll. If your child is already enrolled in the Lincoln Preschool at Hanscom, you only need to fill out the intent to register form sent home in backpacks on February 8. If your child is not currently enrolled in the Lincoln Preschool at Hanscom, outlined below are the steps you will need to take to make this transition as seamless as possible:

- Online registration\**Lincoln Preschool students are already registered and do not need to do this again*
- Sign Release of Records Form with previous school name and fax number
- Provide Hard Copies
  - Birth certificate
  - Military orders or employment authorization
  - Housing lease pages 1 & 3
  - Verification of Military ID
  - Health/Medical Forms

I also wanted to encourage you to subscribe to our blog by scrolling to the bottom of the home page and clicking 'subscribe.' This will send you an email each time the blog is updated. This is our primary mode of communication with our community so this will keep you informed of upcoming events.

As this school year progresses, plans will be solidified about how our kindergarten events will be able to take place in a COVID19 safe way. Stay tuned for more information regarding summer play dates, opportunities to tour the school, family orientation, and screening for our kindergarteners.

Again, we look forward to welcoming your kindergartener to the Hanscom Primary School Family! Should you have any questions, concerns or some positive feedback to share, please do not hesitate to call or email me. Thank you for partnering with us to educate the next generation of leaders.

Sincerely,

Julie A. Vincentsen  
Principal
